Good morning again, Mr. Wilson!

I see that, according to a biography he apparently caused to be published on Amazon Dot Com, Mr. Cristall "has received commendations for his prosecutorial work from the Los Angeles Police Department, the Federal Bureau of Investigation, the Bureau of Alcohol, Tobacco, Firearms, and Explosives, the U.S. Attorney's Office, and the California Narcotics Officers Association, and he is a recipient of the Los Angeles Police Commission's Distinguished Service Medal."

Today I am looking for copies of or access to records associated with these or similar commendations, medal-awardings, or honors (collectively "honors"). These might include, but not be limited to:

- a. letters announcing honors;
- b. records describing the grounds for honors;
- c. nominations for honors;
- d. certificates, plaques, medals, or other such material awarded at or due to ceremonies related to honors;
- e. still photos, programs, recordings whether audio or video of such ceremonies.

Thanks, Mr. Wilson.
